

# COMPOSTABLE FOIL

## THE ENVIRONMENTALLY FRIENDLY ALTERNATIVE!

compostable  
7P0763

Providing pleasure responsibly!

## We are offering you environmentally friendly advertising:

- ✓ environmentally friendly packaging alternative
- ✓ sustainability
- ✓ certified by EU regulation EN13432
- ✓ certified by American regulation ASTM D6400
- ✓ compostable logo will be printed onto your promotional bags
- ✓ from renewable raw materials
- ✓ production same as with standard foil
- ✓ print onto white and transparent foil
- ✓ can be combined with climate neutral production

### Certification

Our compostable foil is certified as biodegradable and compostable according to all essential composting conditions (such as home and industry composting with anaerobic rotting and waste water disposal).
